

Help us improve reading skills for African children. We know books play a crucial role in promoting literacy. Help us end the book famine in Sierra Leone Africa.

Wanted: Gently used children's books. New soccer balls and jumping ropes.

Why is this important?

It's imperative to have books in the hands of these children. It's also important to introduce physical education so they're more likely to develop healthy habits.

- 10 new school libraries
- Over 2,000 lives impacted
